

RV Campsite Setup Checklist

SELF CAMPERS.COM | CAMPING • RVING • TINY HOMES • SMALL SPACES • BOATING • OUTDOOR NEWS

This checklist will guide you through the essential steps to setting up your RV campsite efficiently and safely. Follow these guidelines to ensure a smooth and enjoyable camping experience.

Note: *This is a guide and should be adapted to suit your specific needs and the features of your RV and campsite.*

Arrival and Initial Assessment

- **Site Inspection:** Check for hazards (low-hanging branches, power lines).
Walk the campsite to identify any potential obstacles or safety concerns.
- **Leveling:** Position leveling blocks under the wheels.
Use a level to ensure your RV is perfectly level for optimal appliance operation and comfort.
- **Parking Brake:** Engage the parking brake.
Engage the parking brake securely to prevent movement during setup.

Hookup Connections

- **Electrical Hookup:** Connect to the power pedestal.
Use the correct amperage and inspect for damage before connecting.
- **Water Hookup:** Connect to the water supply.
Use a water pressure regulator to avoid damaging your RV's plumbing.
- **Sewer Hookup:** Connect the sewer hose securely.
Ensure a tight seal to prevent leaks and unpleasant odors.

Setting Up Camp

- **Stabilizers:** Deploy the RV stabilizers.
Extend the stabilizers to reduce movement and ensure a stable living

environment.

- **Awning:** Extend the awning.
Secure the awning with tie-downs if windy.
- **Outdoor Gear:** Set up chairs, tables, and other gear.
Organize your campsite for easy access and convenience.

Interior Setup

- **Slide-Outs:** Extend the slide-outs.
Ensure clear surroundings before extending.
- **Appliances:** Test all appliances.
Verify the operation of the refrigerator, water heater, and other essential appliances.
- **Safety Check:** Test smoke and carbon monoxide detectors.
Replace batteries if needed.

Final Checks

- **Exterior Lights:** Check all exterior lights.
Confirm all lights are functioning correctly for safety and visibility.
- **Security:** Secure valuables and lock doors.
Take necessary precautions to protect your belongings.
- **Campsite Cleanliness:** Ensure the campsite is tidy.
Leave no trace and respect the environment.

Important Notice and Safety Warning:

Always follow manufacturer guidelines for your RV and equipment. Be aware of your surroundings, and take necessary safety precautions. Selfcampers.com is not responsible for any damages or injuries resulting from the use of this checklist.

By following this checklist, you can ensure a safe, efficient, and enjoyable RV camping setup. Safe travels and happy camping from Selfcampers.com!
